

# COWORKING SPACE

CABINS | SINGLE SEATER | CONFERENCE ROOM

## ABOUT US

Influenced by the growth of start-up culture, the demand for office space has risen significantly over the years. D Factory is a cost efficient co working space. We are one of the largest office spaces around and there's always room for everyone. Whether you are a budding youth on the hunt for a single desk space for your freelance or an entrepreneur looking for a new location to set up your office.
